K-CAMP 2018

Up, Up and Away... KCamp Adventures Every Day!

June 25-August 10

Incoming K-2nd Grade, Preschool & Tot

Week 1 (June 25 - 29) Art Adventures with Miss Amy

Tuesday, June 26 - Dot-tastic! - Campers will explore artists and cultures who use dots and circles in their artwork. They will then get to create their own version of Dot art using paper and paint.

Wednesday, June 27 - Fashionable Art! – Art you can wear is the best! The wonderful world of fashion will be explored and campers will get to create on an article of clothing to make it their own.

Thursday, June 28 - Flights of Fancy! – Nature has created some beautiful birds full of fancy and color. Campers will get to know these birds and construct one of their own using multiple art mediums.

Week 2 (July 2 - 6) Spectacular Sports with Coach Erik

Monday, July 2 - Fitness Day! K Campers will learn various exercises and workouts having fun and getting fit with friends!

Thursday, July 5 - Relay Day! Come ready for an exciting day of relay races where campers will learn creative ways to build great teamwork!

Friday, July 6 - The Olympics come to Kirk! Campers will participate in Olympic style games. Kirk is going for the Gold!

Camp closed Wednesday, July 4

Week 3 (July 9 - 13) Soaring Science with HighTouch HighTech

Monday, July 9 - Don't Be So Dense! Campers experiment with the concept of density. They take the density cube challenge and use density to separate a mixture. They even use density of liquids to make a lava lamp. Groovy!

Tuesday, July 10 - Salty Science! Campers get to work with this amazing chemical compound. They'll do a little ice-cube fishing and use salt to grow their own salt crystal garden.

Thursday, July 12 - Kitchen Chemistry! Campers will never look at their kitchens the same way after this program. They will have a blast as they make sidewalk chalk and a fireworks display in a bowl of...milk??

Week 4 (July 16 - 20) Outrageous Animal Adventures

Tuesday, July 17 - Lizards and Turtles and Snakes, Oh My! The Reptile Family will provide our campers with an interactive, hands-on experience with a myriad of reptiles and one or two special animal guests. Our campers will learn about the animals' habitats, diet, and conservation. Join us on this safari!

Thursday, July 19 - Conservation and Preservation! The Nature of Wildworks will bring a variety of animals, mostly species native to California, who are being cared for by the organization. Our campers will learn about what they can do to help protect and preserve these animals' native habitats while getting a chance to visit with these animals in an up close and personal way.

Friday, July 20 - At Home In The Sea presented by the Cabrillo Marine Aquarium! Sea stars, urchins, lobsters and crabs are just some of the sea animals highlighted in this fun and interactive hands-on class! Our campers will dive into an ocean of discovery and touch some strange, slippery, slimy and LIVE ocean creatures that make the tidepools their home.

Week 5 (July 23 - 27) Music Motion with Miss Sarah

Monday, July 23 - Musical Parachute! We will play a wide variety of musical games which will focus on music theory, listening, and movement.

Wednesday, July 25 - Create your own Musical Masterpiece! We will use icons and symbols to form a musical composition which we will collectively, as a group, play at the end of the activity!

Friday, July 27 - Make your own Instrument! We will be using a number of materials to create guitars, drums, shakers, and more! After the instruments are completed, we will play a few activities together with our new instruments!

Week 6 (July 30 - Aug 3) Flying Culinary Creations with Miss Christa

Tuesday, July 31 - Super Heroes! Do you have super powers? Come join us and test your food IQ. Do you know what foods make you have better eye sight? Build muscle? Strengthen your teeth and bones? Have a super hero food party with us and try all our super hero foods that make our bodies extra strong. Make fruit pops and take your favorite superfoods home to share with parents.

Wednesday, Aug 1 - Hot Air Balloons! Yeast is that cool ingredient that makes foods rise and fill up with air. Find out how this amazing living food works. Campers will look at all sorts of foods that have yeast. Touch and feel yeasted dough and roll and paint balls for our hot air balloons. After they cook, campers will enjoy their yummy treat!

Thursday, August 2 - Airports! We'll celebrate airports and decorate a cake like an airport as a team. Make frosting clouds and fondant planes; someone makes the runway, someone molds the planes. Someone makes the buildings...Put it all on top of a cake. Preschool and Tots will decorate mini cupcakes for their airport cupcake snack. Campers will bring the creations back to class and celebrate with their friends and teachers!

Week 7 (Aug 6 - 10) Wacky Water Week

Monday, August 6 - Dual Slip and Slide! Slip on a bathing suit, slap on some sunscreen, and grab your goggles because we are going to have some slippery fun on this giant inflatable slip and slide. Fun for all ages!!

Tuesday, August 7 - Bubblemania! Campers will enjoy an interactive show on the science and fun of bubbles with shimmering waves of soap films, rainbow bubbles, big bubbles, small bubbles, square bubbles, triangle bubbles, and more! Campers will get a chance to learn about reflection, refraction, surface tension and many other soap bubble properties.

Thursday, August 9 - Come Take a Mud Bath!! This is our last onsite field trip of K Camp and we're going to finish up the summer BIG!! Come ready to splish and splash...in the mud! We'll set up pools of clean mud and have some fun "walking on water".

K Camp is by the week, either **3 day or 5 day options**

Monday-Friday - \$60/Day * All Five Days - \$250

Full Day Childcare (5 days) add \$50/week

Registration Fee - \$50 (includes a camp t-shirt) * **Fees due at time of enrollment**
